**PROTECT WHAT'S YOURS**

# The true cost of vehicle theft goes beyond the loss of your vehicle.

Safe-Guard's Vehicle Theft Protection system permanently etches the vehicle's glass with indelible identification numbers, which are used to identify the owner of a recovered vehicle.

If your vehicle is ever stolen, and your insurance company follows common industry practices, they will likely only cover your vehicle's market value at the time of the loss. The coverage offered by your insurance company may leave you fully responsible for other expenses such as your insurance deductible, the interest on your loan, various fees, and sales tax for your replacement vehicle.

Fortunately, the Theft Protection Program offers you a theft deterrent and recovery system helping to minimize your losses, plus a Limited Warranty that gives you up to a \$5,000 benefit.<sup>1</sup>

## PROTECTION BENEFITS

- **Distinctive theft warning window decals** used to deter theft
- **Vehicle marked with traceable identification codes** used to identify the owner of a recovered vehicle
- **Up to \$5,000<sup>1</sup> Limited Warranty Benefit** if the system fails to prevent the theft of the vehicle and the vehicle is declared a total loss because either the vehicle is not recovered, or it is recovered but damaged beyond reasonable repair
- **Transferable coverage<sup>2</sup>** may add to the resale value of your vehicle, if you transfer to a private party
- **Choose the plan that's right for you**, with coverage options up to five (5) years
- **Monthly payment option** if you include the product price within your auto financing

1. Limited Warranty Benefit availability and calculation may vary by state. If the covered vehicle is purchased as a used vehicle, the Limited Warranty Benefit will be the lesser of (i) the Limited Warranty Benefit amount the customer selects at the time of product purchase or (ii) the actual cash value of the covered vehicle on the date of loss.

## PROTECT YOUR INVESTMENT

The following illustrates how the Theft Protection Limited Warranty Benefit can help cover outstanding out-of-pocket costs if your vehicle is stolen and declared a total loss:

Replacement Vehicle Costs (down payment, sales tax, other fees)	\$2,000
Payoff Deficiency	\$2,000
Insurance Deductible	\$1,000

**Potential Expense** **\$5,000\***

Theft Protection Limited Warranty Benefits – \$5,000

**Amount You Owe** **\$0**

\*Approximate costs; your actual costs may vary.

This example is for illustrative purposes only. Actual Limited Warranty Benefit calculations will vary based on circumstances.

**The Theft Protection product is permanently installed on the covered vehicle and is therefore noncancelable.**
