A VSC MAKES UNEXPECTED REPAIRS LESS EXPENSIVE

Your vehicle is a significant investment. But no matter how well you take care of it, over time your vehicle may need repairs. Often, these repairs occur after your vehicle's factory warranty has expired, leaving you with potentially major expenses.

The High-Mileage VSC product is designed specifically for vehicles that are no longer covered by the factory warranty. With a High-Mileage VSC, you can minimize major out-of-pocket costs with coverage options for mechanical repairs, parts, and labor up to five (5) years or 75,000 miles.

- Deductible options of \$0, \$100, and \$250 per visit
- Monthly payment options may be available if you include the product price with your auto financing

COMPREHENSIVE PROTECTION, PERSONALIZED FOR YOU

Your participating dealer will guide you through our four available VSC plans to help you determine which level best suits your vehicle and personal needs:
